

“We enjoy spending time in our garden. We’re glad to have Neighbour Aid help us with the heavier jobs that need to be done. They’re always so friendly and professional.”

Roger and Soraya,
clients

Does your garden need a lift?

Let our team restore its natural beauty

Inner West

Neighbour Aid 

Now is a great time to enjoy your garden

If your garden needs attention and you have limited support, call us. Together we can plan a garden for you to enjoy.

An experienced Neighbour Aid Team Leader will work with green-thumbed volunteers to ensure your garden is safe, easy to maintain and looks great.

Our service includes:

- Weeding
- Pruning
- Laying mulch
- Cleaning up after ourselves

Get to know us

We support older people and people with disability who are unable to maintain their own garden or afford professional gardening services. As a local not-for-profit we do this with the help of our amazing volunteers who have undergone a screening process.

Contact us

Call us on **9799 5099** to find out more. New clients are referred to us by My Aged Care. We can take you through the process and chat about your garden requirements.
