

“The house felt empty before Zara. I am now on the go. Neighbour Aid staff are friendly and really listened to my needs. I love the volunteer Stefan who walks Zara.”

Now is a great time to...

Adopt a pet

Friendship is important to us all. A dog or cat can bring unconditional love and companionship to your life. You can return the favour by giving an older animal a second chance in a loving home.

Choosing a pet is also important. We will:

- Work with our friends at the RSPCA to find you the right match
- Help with adoption costs if you are in need of financial assistance

Let us walk your dog

Dogs love to be outside! Whether you adopt your furry friend through us or not, we can match you with a volunteer who will take your dog for an extra walk. You can also share stories and tips with like-minded animal lovers.

Get to know us

We support older people and people with disability to stay independent, healthy and connected. As a local not-for-profit we do this with the help of our amazing volunteers.
