

Volunteer Home Visiting

- Do you have a spare 1 to 2 hours once a week or once a fortnight?
 - Are you a good communicator?
- Do you have an interest in supporting socially isolated people?

If so, volunteering at Inner West Neighbour Aid may be right for you. Neighbour Aid is a not for profit organisation which provides social support to individuals who are socially isolated due to their age or disability. A social support visit would include having a chat over a cup of tea, possibly helping to read if the person has a vision-impairment or going to the local shops. Home visiting involves NO PERSONAL CARE; that is you are not required to provide Home Care, nursing, prepare meals etc. It is a social visit designed to reduce loneliness and social isolation. Our service covers the local government areas of Ashfield, Canada Bay, Burwood and Strathfield. Call (02) 9799 5099 or email rochelle@iwna.com.au for more information or to apply.
